Keynote Speaker
Cindy Pals, MD

Created for the Pasture of Joy and Peace

We will look at the life of David and other people in his story to see what their actions tell us about where they are living emotionally and spiritually. We will also talk of David's failings toward the end of his life, the topic of shame and what it does to us.

I am a retired Family Practice Physician from Orange City Iowa. Over the last 10-15 years my spiritual journey has taken me into a study of Neuroscience and how we attach to God. Come join me in the journey!

Saturday Morning Speaker:

We will hear from "M" - a veteran International Worker. She will share about her unique journey and the good works God prepared in advance for her to do as God's masterpiece.
